DELTA Summer School, 83 Sherwin Road, Nottingham NG7 2FB

Summer School is for pre-school aged children and all their families:

Support and Aspiration - Prepare to be inspired!

Times: Arrival on Thursday 28th July and leaving on Sunday 31st July 2016. Times will be confirmed with you by DELTA's summer school family coordinator who will be in touch with you soon.

Where is it held: The accommodation is within the campus of the University of Worcester. Workshops and crèche facilities are at a school close by. A mini bus will be available for transfers for those who do not have cars.

Accommodation is in flats with integral kitchen and lounge and bedrooms each with en-suite. They are fully equipped with bed linen & are clean and comfortable, though basic. We suggest you bring your own towels and washing materials.

How much will it cost: The summer school costs DELTA almost £1000 per family but we ask for a minimum contribution of £150 per family based on two adults and their children. Additional family and friends are welcome, but there is a supplement of £50 per person. We ask for £50 deposit when posting your application, as we have to pay for the flats considerably in advance.

PLEASE APPLY BEFORE 8th July 2016

We do not want anyone to feel excluded on the basis of cost and we can help identify other sources of funding if necessary.

Summer Schools are heavily subsidised and DELTA welcomes any further donations towards the costs.

DELTA
Summer School

For deaf pre-school children and their families

Thursday 28 July –

Sunday 31 July 2016

The University of

Worcester

Every year, DELTA runs a Summer School. We do this to provide information, support, and encouragement for families who wish to learn more about how their deaf children can learn to listen and talk

following a **Natural Aural Approach**.

www.deafeducation.org.uk

DELTA Summer Schools provide advice, support and encouragement to families who want their deaf children to learn to listen and talk.

The children and young people are looked after by teams of qualified and experienced volunteers.

The youngest can have fun in a well-equipped crèche whilst the older ones join in activity groups of their own age and interest.

What is covered? Parents take part in informal discussion groups and workshops, led by experienced lecturers, parents, audiologists and teachers. Typical topics, will include:

- Advising on everyday maintenance of hearing aids, cochlear implants and radio aids
- Supporting listening and language in the home
- Facilitating access to the Pre-school & Primary school curriculum
- Making the most of the support available to you

The atmosphere is friendly, welcoming and informal. There is time to talk with other families and volunteers, many of whom are young adults who are deaf or parents and siblings of children and young people who are deaf.

There is always opportunity to speak with qualified volunteers about specific concerns.

Why should I attend? The best people to answer this are the previous attendees!

✓ 'DELTA is a unique resource for parents such as us it is likely to make a vast difference to our ability to support our child to the best extent.'

✓ 'Uplifting, inspiring and affirming'

Who can attend? All families of babies and children who have a significant hearing loss and who wish their child to learn to listen and talk will find the Summer School beneficial.

DELTA will be running two Summer Schools this year, one focussed on supporting families with Pre School and a second supporting Primary School aged children. All family members and interested friends and supporters are welcome.
